

I&E Committee Meeting Notes
January 6, 2009

Present at the meeting:
Tom Konsler, Chairman
Tim Bannister
Cory Brantley
Everett Coates
Wayne Jones
David Lindbo
Jim McSwain
Shankar Mistry

The minutes from the December 2, 2008, meeting were approved.

New Business

Biotech: Evaluation of Alternative Protocol (Tadhg Linehan and Mike Hoover)

- Evaluation of European National data collected for use with their Controlled Demonstration Application
- Data collection protocol was per the European National Standard
- Committee voted to recommend accepting the European National data as a substitute for Standard 40 NSF data for the Controlled Demonstration Application for Biotech
- Subcommittee for Controlled Demonstration Application is Everett Coates, Shankar Mistry, Jim McSwain, David Lindbo, and Tom Konsler
- Project Manager – Bob Uebler

Infiltrator: Modifications to Innovative Approval (Carl Thompson)

- The company is proposing changes to their chamber
- Subcommittee is Wayne Jones, Cory Brantley, and Toney Jacobs
- Project Manager – Steven Berkowitz and Bob Uebler

BioKube: Controlled Demonstration Application (Joe Walsh)

- Committee is requesting a unit to be brought to North Carolina for them to examine prior to approval of unit
- Questions regarding the location of the electrical components with respect to overflowing of the unit
- Questions regarding overflowing of the unit and the amount of emergency storage
- Documentation must be provided that the model proposed for approval in the Controlled Demonstration application is equivalent to what was previously tested by the European Union using the European National Standard and does not require more testing by the European Union to confirm that the model can meet the European National Standard
- Subcommittee is Tim Bannister, Jim McSwain, Everett Coates, Shankar Mistry, and Tom Konsler
- Project Manager – Ishwar Devkota and Barbara Grimes
