Local Health Department Request for Project Review

In accordance with the .1900 rules, the local health department may request the State to review and approve plans and specifications as specified by the local health department. The information below must accompany any request for State review and be submitted by the local health department, along with a copy of the application, as applicable or if available, be included with the project submittal. Please contact your regional engineer or soil scientist with any questions.

The ____________________ Health Department requests that the engineering staff of the On-Site Water Protection Branch review the attached submittal.
