

I&E Committee Meeting Notes
March 9, 2010

Present at the meeting:
Tom Konsler, Chairman
Tim Bannister
Toney Jacobs
Wayne Jones
Jim McSwain

The minutes from the February 2, 2010, meeting were approved.

Old Business

Infiltrator Systems, Inc: Modification to Innovative Approval (Ben Berteau)

- Quick4 Plus – 12 inch
- The chamber was modified in the following ways: a second column was added, the endcaps were raised, and the sidewall area was increased
- Update design manual for installation with endcaps
- Committee voted to recommend accepting the changes as comparable to the approved chambers pending structural testing and review by staff

Infiltrator Systems, Inc: Controlled Demonstration Application (Tim Wood)

- Attorney General's Office has determined the application is Controlled Demonstration
- Application/draft approval needs to go back to subcommittee

The Oak Hill Company: Controlled Demonstration Application (Chip Hassett)

- Shankar Mistry provided additional comments/concerns regarding CO₂
- Motion was made to recommend approval of the draft approval as currently proposed. The vote was two in favor and three abstentions. Tom Konsler, Tim Bannister, and Wayne Jones abstained from voting.
- Committee recommended the application come back up for a vote at the next I&E Committee meeting

New Business

E-Z Treat Company: Modification to Innovative Approval (Mike Stidham)

- Changes to the drip approval to match the American Aerobic Drip Approval
- Committee voted to recommend accepting the changes to the approval pending staff approval
