

I&E Committee Meeting Notes  
July 1, 2008

Present at the meeting:  
Tom Konsler, Chairman  
Cory Brantley  
Everett Coates  
Toney Jacobs  
Wayne Jones  
Shankar Mistry

The minutes from the June 3, 2008, meeting were approved.

Old Business

JaMac and Associates, Inc: WASTE X-Box Experimental Application (James Tyler)

- Propose 50 systems total and to monitor 25 (change from draft proposal of 100 systems and to monitor 24)
- Proposed protocol has three different parts
- Section B should be reduced to one paragraph and the full Section attached to the approval and posted on the web page for additional information
- Section C should be reduced to one sentence
- Additional editorial comments will be provided by full committee
- Committee voted to recommend approval with editorial refinement of document and the subsequent changes being e-mailed to the full committee for review, with Cory Brantley abstaining from voting

New Business

American Manufacturing: Modifications to Innovative Approval (Eric Valentine and Tom Ashton)

- Propose to modify septic loading rates in Innovative approval and make other editorial changes
- Project Managers – Steven Berkowitz and Tim Crissman
- Subcommittee is Tim Bannister, David Lindbo, and Toney Jacobs

Status of I&E Applications

Fuji Clean – subcommittee after full committee meeting  
Flow Tech – waiting for information from company  
Clearstream – waiting for information from company  
Aquaworx drip irrigation – waiting for information from company

Ring would like to have Bob Rubin present a status update of their Experimental approval at the August I&E Committee meeting and get feedback from the committee about the initial results
